PROGRAM

"SECRET SOCIETIES AND CHINESE NATIONALISM"

Prof. Henry S.S. Tsai

We are pleased to welcome Dr. Henry S.S. Tsai, Professor of History at University of Arkansas and currently a visiting professor at UCLA. He will discuss the decades at the turn of the 20th century when all American Chinatowns were filled with the ferment of revolutionary activity leading to the 1911 Revolution. He will examine the influences of these forces on the diplomatic interactions between China and the United States. Join us for an important, informative evening.

**Letters-to-the-editor have been written to S.F. newspapers regarding mistaken allegations that the Society endorsed the TV show "China Girl" as valid historical docudrama. The Society took no position on that show and will never assume a role as a self appointed arbiter on such matters. From an historical perspective, the Society is objectively interested in all viewpoints and welcomes anyone with an expressed interest in the history of Chinese in America. Further discussion at next Regular and Board meetings.

**Field trip to Bakersfield was enjoyed by 50 members and friends. Many thanks to Dora Lau, Margie Lew, Stan Lau, Ella Quan. A special thanks to Mrs. Mary Ming and her friends for making us so welcome at Kern County's Heritage Day. Mrs. Ming presented an outstanding talk with photos on the history of the Chinese in the area and introduced members of the pioneer Chinese families.
